

## Freedom Programme

### ONE DAY TRAINING EVENT

#### THE EFFECTS OF DOMESTIC ABUSE ON CHILDREN

This event provides information about the nature of domestic abuse and its effect on children. It assists child care professionals to improve their practice. It does not enable them to facilitate the Freedom Programme.

This event now includes a performance by Certain Curtain Theatre of their ground breaking play about the effects of Domestic Abuse on Children. The play is called 'Mockingbird High'. Dates and venues are available on our web site.

The cost will be £100.00 plus vat per person per day. This includes a copy of 'Living with the Dominator', refreshments and lunch. All trainees receive a certificate.

#### PLEASE NOTE

This Event can also be offered as a block booking. Organisations can commission us to run the day for a fixed fee of £5000.00 plus vat. You provide the premises and refreshments and up to a maximum of 40 trainees. We provide 100 copies of 'Living with the Dominator' which is to be read by all trainees before attending.

Trainees do not receive a manual and are not equipped to facilitate the Freedom programme. However they will then be in a position to make informed referrals to the local Freedom Programmes.
